Hi Bob,

No, I haven't set up a sample date for the next round at Tower Standard. When would you like the next round of samples collected? Maybe we (you or me, or both?) should talk with Kristen Hanson of the Tribe to see when she thinks would be the best time – from what she told me, I was under the impression that many of the homes out there are recreational homes and the folks aren't always there.

Julie,

Do you have tentative dates for the second round of sampling? I am hoping to give LDF plenty of lead time so we can try to access all the wells on the same day.

Thanks,

Bob
